of Correction

Dear Sir:

Upon reviewing the above-identified patent, Patentee noted a typographical error which should be corrected.

In the Specification, in the middle of Table 4 on page 25, and in the patent at column 13, line 58, in Table 4, "STAT 4 CTGATTTCCCGAAATGATG (SEQ ID NO: 19)" should read: --
STAT 4 CTGATTTCCCGAAATGATG (SEQ ID NO: 19)--.

The underlining shown should be included as part of the text in question.

The error was not in the application as filed by applicant. Patentee previously requested correction of this same error. The Certificate of Correction issued on May 30, 2006, omitted the underlining in each instance recited above, and therefore failed to effect the correction sought by Patentee. Correction at no expense to Patentee is respectfully requested.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentee respectfully solicits the granting of the requested Certificate of Correction.

Dated: June 9, 2006

Respectfully submitted,

By
